

Data Processing Agreement

Last updated: 15 October 2025

1 AGREEMENT

- 1.1 **Application:** This DPA applies to the extent that Personal Data is Processed in the course of the performance of the Makeshapes Services. This DPA is incorporated into the Customer Agreement.
- 1.2 **Controller and Processor:** The Parties acknowledge and agree that with regard to such Processing of Personal Data, the Customer is the Data Controller and Makeshapes is a Data Processor. For the avoidance of doubt, this DPA does not apply where Makeshapes is the controller (as defined by Applicable Data Protection Laws).
- 1.3 **Authority:** If the Customer is using the Makeshapes Services on behalf of a business, the Customer represents to Makeshapes that it has authority to bind that business or entity to this DPA and that the business accepts this DPA.
- 1.4 **Personal Data:** An overview of the categories of Personal Data, the types of Data Subjects, and purposes for which the Personal Data are being processed is provided in Annex 1.

2 DATA PROCESSING

- 2.1 **Data Controller's authority:** The Data Controller will, in selecting the Makeshapes Services it purchases and considering the Personal Data used in relation to those services, determine the scope, purposes, and manner by which the Personal Data may be accessed or processed by the Data Processor.
- 2.2 Restrictions on processing: The Data Processor will only process the Personal Data:
 - a on documented instructions of the Data Controller. This DPA constitutes the instructions and each use of the Makeshapes Services then constitutes further instructions. Processing outside the scope of these instructions (if any) shall require prior written agreement between the parties; or
 - b to comply with a legal obligation to which the Data Processor is subject. In such a case, the Data Processor shall inform the Data Controller of that legal obligation before processing, unless that law explicitly prohibits the furnishing of such information to the Data Controller.

Makeshapes Data Processing Agreement

- 2.3 **Customer Agreement and discretion:** The Parties have entered into the Customer Agreement in order to benefit from the expertise of the Data Processor in processing the Personal Data for the purposes of the supply of the Makeshapes Services. The Data Processor may exercise its own discretion in the selection and use of such means as it considers necessary to pursue those purposes, subject to the requirements of this DPA.
- 2.4 **Prohibited data:** The Data Controller will not submit any sensitive or special category information to the Makeshapes Services and Makeshapes will have no liability whatsoever for such data, whether in connection with a security incident or otherwise. For the avoidance of doubt, this DPA will not apply to such data.
- 2.5 **Data Controller warranty:** Customer represents and warrants that (i) it has complied, and will continue to comply, with all applicable laws, including Applicable Data Protection Laws, in respect of its processing of Personal Data and any processing instructions it issues to Makeshapes; and (ii) it has provided, and will continue to provide, all notices and has obtained, and will continue to obtain, all consents and rights necessary under Applicable Data Protection Laws for Makeshapes to process Personal Data for the purposes described in the Agreement. Customer has sole responsibility for the accuracy, quality, and legality of Personal Data and the means by which Customer acquired Personal Data.
- 2.6 **Lawfulness of Customer's instructions:** Customer will ensure that Makeshapes's processing of the Personal Data in accordance with Customer's instructions will not cause Makeshapes to violate any applicable law, regulation, or rule, including, without limitation, Applicable Data Protection Laws. Makeshapes shall promptly notify Customer in writing, unless prohibited from doing so under Applicable Protection Laws, if it becomes aware or believes that any data processing instruction from Customer violates Applicable Data Protection Laws.
- 2.7 **Third-party controller:** Where Customer acts as a processor on behalf of a third-party controller (or other intermediary to the ultimate controller), Customer warrants that its processing instructions as set out in the Customer Agreement and this DPA, including its authorizations to Makeshapes for the appointment of Subprocessors in accordance with this DPA, have been authorised by the relevant controller. Customer shall serve as the sole point of contact for Makeshapes and Makeshapes need not interact directly with (including to provide notifications to or seek authorization from) any third-party controller other than through regular provision of the Makeshapes Services to the extent required under the Customer Agreement. Customer shall be responsible for forwarding any notifications received under this DPA to the relevant controller, where appropriate.

3 SECURITY

- 3.1 **Technical and organisational measures:** The Data Controller acknowledges that it is responsible for reviewing the Technical and Organisational Measures. The Data Processor shall implement and maintain such measures. Each party acknowledges

Makeshapes Data Processing Agreement

that it considers the Technical and Organisational Measures to be appropriate, taking into account the state of the art, the costs of implementation and the nature, scope, context and purposes of processing, taking account all the risks that are presented by processing, in particular from a Personal Data Breach.

- 3.2 **Types of Personal Data:** The Data Controller acknowledges that the Data Processor does not review the types of Personal Data collected in relation to the Makeshapes Services. If the Data Controller submits Personal Data to the Makeshapes Services that is not specified in Annex 1, the Data Controller agrees that it is responsible if the Technical and Organisational Measures do not meet the applicable standard of appropriateness.
- 3.3 **Changes to measures:** The Data Processor may change the Technical and Organisational Measures at any time without notice so long as it maintains a comparable or better level of security.
- 3.4 **Customer responsibilities:** The Customer agrees that except as provided by this DPA, Customer is responsible for its secure use of the Service, including securing its account authentication credentials, protecting the security of Personal Data when in transit to and from the Service, and taking any appropriate steps to securely encrypt or backup any Personal Data uploaded to the Makeshapes Services. If the Data Controller knows or suspects that its login information has or is likely to become used in an unauthorised way it shall immediately change its password or notify the Data Processor.
- 3.5 **Directions:** The Data Controller shall promptly comply with all reasonable directions issued by the Data Processor in relation to security or the Makeshapes Services.

4 AUDIT

- 4.1 **Audit:** Makeshapes shall make available to Customer all information reasonably necessary to demonstrate compliance with this DPA and allow for and contribute to audits, including inspections by Customer in order to assess compliance with this DPA. Customer acknowledges and agrees that it shall exercise its audit rights under this DPA and any audit rights granted by Applicable Data Protection Laws, by instructing Makeshapes to comply with the audit measures described in clauses 4.2 and 4.3 below.
- 4.2 **Audit reports:** Upon written request, Makeshapes shall supply (on a confidential basis) a summary copy of its most current audit report(s) (**Audit Report**) to Customer, so that Customer can verify Makeshapes's compliance with the audit standards against which it has been assessed and this DPA.
- 4.3 **Security due diligence:** In addition to the Audit Report, Makeshapes shall respond to all reasonable requests for information made by Customer to confirm Makeshapes's compliance with this DPA, including responses to information security, due diligence, and audit questionnaires, by making additional information available regarding its

Makeshapes Data Processing Agreement

information security program upon Customer's written request, provided that Customer shall not exercise this right more than once per calendar year.

5 PERSONAL DATA BREACH

- 5.1 **Notifications:** Upon becoming aware of a Personal Data Breach affecting Personal Data, the Data Processor shall:
- a notify the Data Controller without undue delay, and where feasible, in no later than 48 hours from becoming aware;
 - b provide timely information relating to the Personal Data Breach as it becomes known or as is reasonably requested by Customer; and
 - c promptly take reasonable steps to contain and investigate the Personal Data Breach.

Makeshapes's notification of or response to a Personal Data Breach under this clause 5.1 shall not be construed as an acknowledgment by Makeshapes of any fault or liability with respect to the Personal Data Breach.

6 CONTRACTING WITH SUB-PROCESSORS

- 6.1 **Authorisation:** The Data Processor may engage Subprocessors to Process Personal Data on the Customer's behalf. The Data Processor has appointed as Sub-Processors, at the date that this DPA is entered into, the parties listed in Annex 3 to this DPA.
- 6.2 **Changes:** Where the Data Processor removes, adds or replaces a Subprocessor, it will notify the Customer if the Data Controller opts in to receive such notifications via the link sent by the Data Processor to the Data Controller for that purpose. This provides the Data Controller with the opportunity to object to any such changes. If the Data Controller does so object, its sole remedy is to cancel or terminate its account or the Makeshapes Services.
- 6.3 **Liability:** The Data Processor will remain responsible for each Subprocessor's compliance with the obligations of this DPA and for any acts or omissions of such Subprocessor that cause the Data Processor to breach any of its obligations under this DPA.

7 DATA TRANSFERS

- 7.1 **Transfer:** Subject to clause 7.2, the Data Processor may transfer information to multiple countries as part of providing the Makeshapes Services and in particular, Personal Data may be transferred to and Processed by the Data Processor in jurisdictions where the Data Processor and Sub-Processors have operations. The Data Controller authorises the transfer of Personal Data to such jurisdictions.
- 7.2 **Data Protection Laws:** The Data Processor will only transfer Personal Data in accordance with the Applicable Data Protection Law. To the extent that Makeshapes is a recipient of Personal Data protected by European/UK Data Protection Laws in a

Makeshapes Data Processing Agreement

country outside of Europe/the UK that is not recognized as providing an adequate level of protection for personal data (as described in European/UK Data Protection Laws, it will first take such measures as are necessary to ensure the transfer is compliant. Such measures may include (without limitation) transferring such data to a recipient that is covered by a suitable framework or other legally adequate transfer mechanism recognized by the relevant authorities or courts as providing an adequate level of protection for Personal Data, to a recipient that has achieved binding corporate rules authorization in accordance with European/UK Data Protection Laws, or to a recipient that has executed appropriate standard contractual clauses in each case as adopted or approved in accordance with applicable European/UK Data Protection Laws.

8 RETURNING OR DESTRUCTION OF PERSONAL DATA

- 8.1 **Deletion or return:** The Data Processor shall, after the end of the provision of the Makeshapes Services, at the Data Controller's election, delete or return to the Customer all the Personal Data in its possession or control, subject to clause 8.3.
- 8.2 **Return:** The Data Controller agrees that return of Personal Data shall be undertaken by the Data Controller exporting the applicable Personal Data from the Makeshapes Services prior to any the end of the Makeshapes Services.
- 8.3 **Retained data:** The Data Processor may retain Personal Data to the extent and for such period as required by applicable laws (for example, applicable New Zealand tax laws). The Data Processor shall ensure the confidentiality of all such retained Personal Data.

9 ASSISTANCE TO DATA CONTROLLER

- 9.1 **Self-service features:** As part of the Makeshapes Services, Makeshapes provides Customer with a number of self-service features, such as analytics dashboards, that Customer may use to retrieve Personal Data. This allows Customer to assist itself in connection with its obligations under Applicable Data Protection Laws with respect to responding to data subject requests for access. For assistance with other data subject requests, such as for correction, deletion, or restriction, Makeshapes shall provide assistance to the Customer as outlined in clause 9.2.
- 9.2 **Assistance:** The Data Processor shall provide the Data Controller with reasonable assistance to the extent possible to enable Customer to comply with the obligations of Applicable Data Protection Laws, taking into account the nature of processing and the information available to the Data Processor.
- 9.3 **Data subject requests:** In the event that any such request is made to Makeshapes directly, Makeshapes shall not respond to such communication directly except as appropriate (for example, to direct the data subject to contact Customer) or legally required, without Customer's prior authorization. If Makeshapes is required to respond to such a request, Makeshapes shall, where the Customer is identified or identifiable from the request, promptly notify Customer and provide Customer with a copy of the

Makeshapes Data Processing Agreement

request unless Makeshapes is legally prohibited from doing so. For the avoidance of doubt, nothing in the Customer Agreement (including this DPA) shall restrict or prevent Makeshapes from responding to any data subject or data protection authority requests in relation to personal data for which Makeshapes is a controller.

- 9.4 **Impact assessments:** Makeshapes shall provide reasonable assistance to the Data Controller in relation to any data protection impact assessments, and prior consultations with Supervising Authorities or other competent data privacy authorities, which the Data Controller reasonably considers to be required by the GDPR or equivalent provisions of any other data protection law, in each case solely in relation to Processing of Personal Data by the Data Processor, and taking into account the nature of the Processing and information available to the Data Processor. The Data Processor may charge for such assistance at its standard rates.

10 RECORDS

- 10.1 Each party is responsible for its compliance with its documentation requirements in particular maintaining records of processing where required under Applicable Data Protection Law. Each party shall reasonably assist the other party in its documentation requirements, including providing the information that the other party reasonably requests (such as through use of the Makeshapes Services), in order to enable the other party to comply with any obligations relating to maintaining records of processing.
